

SOMETHING NEW, SOMETHING OLD

Wondering why our wine list is in restaurant Pastor's covers?

"Did they want to recycle? Are they cheap?" Yes and no, but here's the reason. We snatched up Pekka Koiranen, Pastor's former sommelier and the first ever sommelier in Finland. Of course, back then they were called wine masters, none of that fancy French wording then!

We took Pekka, we took his wines, so we figured what the hell – let's take his menu covers as well! A little tribute to a restaurant that had a special place in our hearts in the form of the covers and the wines within. Mr. Koiranen has created a tantalizing mix of old favorites and new gems. Sit back, take a sip and enjoy.
